Child Care Assistance Program

CCAP is a state-funded financial assistance program for qualifying families through the Illinois Department of Human Services.

What Can CCAP Funds be Used For?

Funding can be used to pay for Preschool tuition and before and after school care costs. For students aged 5-12, funding can be used ONLY on before and after school care.

Does My Family Qualify?

Qualifying families fall within the CCAP income threshold. In addition, parents must either work, attend school, or both to qualify for CCAP funding.

When Can I Apply?

Families can only apply after their child has been accepted by PTCS, beginning roughly two months before their first day of school.

For more information on eligibility, how to apply, or other questions about CCAP, please contact the front office by calling [312-842-8546](tel:312-842-8546) or emailing Info@PuiTakSchool.org.
